Business Diploma

(4 semesters, non co-op)

In this **undergraduate diploma** program students acquire a foundational knowledge of the basics of business, with a focus on managing people and processes. Courses in economics, accounting, marketing, and human resources lay the groundwork for future careers. Graduates can enter the workforce or continue studies into degree and post-graduate diploma programs.

Entry Requirements: *ILAC Pathway 3.2, or IELTS 6.0 + Grade 11 or 12 Math*

Start Dates: **January**, May

Career Outcomes: Management trainee/manager, sales/sales manager, personnel officer/manager. Employers include banks, finance, trust and insurance companies, computer firms, government ministries and agencies, producers of consumer and industrial products, wholesalers, retailers, private companies and non-profits.

Approximate Total Program Cost*

\$31,578

* Tuition may vary, please consult price list for details

Global Business Management

(4 semesters, non co-op)

This **graduate certificate** program is designed to prepare university and college graduates from a wide range of educational and cultural backgrounds to work as managers in international and domestic businesses. Students develop the knowledge, skills, and attitudes necessary to manage the human, physical, and financial resources associated with international trade.

Entry Requirements: *ILAC Pathway 3.2, or IELTS 6.5 + Post-secondary diploma or degree, or equivalent; education or experience in a business setting is desirable.*

Start Dates: **January**, May

Career Outcomes: Entry-level management positions in research, marketing, sales, project management, information management, supply chain, & finance.

Approximate Total Program Cost*

\$35,569

* Tuition may vary, please consult price list for details

Project Management

(2 semesters, non co-op)

This **graduate certificate** program provides management training to candidates who require project management skills. The program covers technical, leadership, business, and strategic management subjects with an emphasis on understanding and managing change as applied to project management.

Entry Requirements: *ILAC Pathway 3.2, or IELTS 6.5 + Grade 11 or 12 Math*
