

GLOBAL BUSINESS MANAGEMENT

Program: GBMT

Credential: Ontario College Graduate Certificate

Delivery: Full-Time

Length: 4 Semesters

Duration: 2 Years

Effective: Fall 2023, Winter 2024, Summer 2024

Location: ILAC Toronto

Description

This program is designed to prepare university and college graduates from a wide range of educational and cultural backgrounds to work as managers in international and domestic businesses of various size. Students develop the knowledge, skills, and attitudes necessary to manage the human, physical, and financial resources associated with international trade. The first year covers fundamental business knowledge and skills, while more complex international situations and strategic areas are the focus of the second year. The course of study promotes teamwork and leadership skills, and enhances students' capacity to work effectively in cross-cultural environments.

Career Opportunities

Graduates of this program are prepared for entry-level management positions in research, marketing, sales, project management, information management, supply chain, and finance. Graduates may work in a broad range of employment settings in all sectors of business and industry, in both domestic and international locations. Graduates may also use their entrepreneurial skills to open their own business or act as consultants.

Program Learning Outcomes

The graduate has reliably demonstrated the ability to:

1. Collect, process and interpret data used to support international business;
2. Develop, execute and analyze the results of a comprehensive global business plan which includes complete marketing, operations, financial and human resources strategies and tactics, taking into account the impact of various economic, legal, cultural, geographical, and political situations on international business;
3. Conduct business with diverse populations using culturally appropriate methods in compliance with relevant national and international law, legislation, policies, and regulations;
4. Assist in the importing and exporting functions of a business;
5. Plan, direct, execute and evaluate individual and team projects;
6. Implement strategies utilizing domestic and foreign government programs, policies, and agencies which facilitate international trade;
7. Apply financial knowledge and skill to the operation of an international business;
8. Apply leadership and teamwork skills establishing and maintaining working relationships with coworkers, supervisors, clients, customers and consumers;
9. Apply quality control and assurance programs to sourcing and supplying;

10. Apply the principles of business ethics and international corporate responsibility;
11. Develop new products and services consistent with evolving market needs;
12. Evaluate the viability of marketing a product or service in an international market or markets;
13. Develop personal professional development strategies and plans to enhance leadership and management skills;
14. Apply entrepreneurial strategies to maximize the effectiveness of international business initiatives;
15. Employ environmentally sustainable practices within the profession.
